REP COUNTER

V-KEY-SL-RC1

V-KEY-SL-RC2 For use with the V-KEY-SL-221

PRODUCT INFORMATION

UNPACKING

Thank you for purchasing a Vision Fitness product. It is inspected before it is packaged. It is shipped in multiple pieces to facilitate the compact packaging of the machine. Prior to assembly, confirm all the components by matching them with the exploded diagrams. Carefully unpack the unit from this box and dispose of the packing materials in accordance with your local laws. Exercise device must be assembled by a trained assembly team or be pre-assembled prior to delivery.

CAUTION

To avoid injury to yourself and prevent damage to the frame components, be sure to have proper assistance removing the frame pieces from this box. Please be sure to install the equipment on a stable base, and properly level the machine. Ensure a minimum clearance width of 0.6 meters (24") for access to and passage around Vision strength equipment. Please note, 0.91 meters (36") is the ADA recommended clearance width for individuals in wheelchairs.
