

Owner's Guide – Commercial Warranty

Date Prepared: 11/22/2016	Models Affected: R40, U40, X40, and XF40
------------------------------	---

Some R40, U40, X40, and XF40 units were sold with a limited use commercial warranty (defined as less than 3 hours of use per day) that covers 1 year labor and 1 year parts (no warranty on wear items).

These warranty terms were omitted from owner's manuals, but JHTNA will honor the warranty terms.
